

BLACK & WHITE

- ARAK

New world is blurred: snow, Tex Mex accents, but many “opportunities” they said. Work through daylight, no longer a teacher, but a janitor, you only see half his life in the night. You missed half the burps and the cranky little chirps, the sweet luscious sound of your son’s first words. “¡ Ah! Mamacita. Te quiero. Thank you. Truly. For your sacrifices.” says he. “You are my role model.” All you know is that he loves you. He is half you, and you only ever meet half of him.
